

Lomax Elementary Second Grade Outreach Learning

April 6 – April 10, 2020

Principal's Message: We continue to find ways/modes to better communicate to help you at home. Teachers will continue to reach out to you through e-mail and Remind. If you prefer a voice call or a face-to-face communication, let your child's teacher know. We are currently learning ways to increase this type of communication. You should expect weekly check-ins by the teachers.

Technology: Please contact 281-604-7070 if you have technology questions. We did learn that laptops with Google Chrome are necessary to work for most of our links.

If your child receives Special Education, Section 504, or Dyslexia services, services will be addressed weekly by your child's teacher via email.
