

Lomax Elementary (4th grade) Outreach Learning April 27 - May 4

Principal's Message: Please visit our district website for the REVISED Grading Policy: LPISD Adjusted Grading Policy and Procedures

<u>ALL assignments continue to be due on Mondays at 8:00 a.m.</u> I highly recommend that students continue with their home schedules on completing the work prior to Mondays at 8:00 a.m. to avoid them falling behind on assignments. The last thing we want is for a student to wait and then have too many assignments to complete before the penalty free timeline of May 22nd.

Modes of communication: our teachers are ready and responsible for communicating with you once a week to support students in completing assignments. The modes of communication: 1. e-mail 2. Remind (text) 3. voice call 4. TEAMS (virtual assistance). If you have preference, please communicate that with your child's teacher. **Teachers** are learning more about **TEAMS (virtual assistance)** and we hope to increase participation through these means as needed.

Counselor Corner: Week of April 27th-May 1st (see Mrs. Zigler's message and Mrs. Grider's Read Aloud for the week). <u>https://www.smore.com/w4gay</u>
