

## Lomax Elementary Kindergarten Outreach Learning April 27 – May 4, 2020

Principal's Message: Please visit our district website for the REVISED Grading Policy: LPISD Adjusted Grading Policy and Procedures

<u>ALL assignments continue to be due on Mondays at 8:00 a.m.</u> I highly recommend that students continue with their home schedules on completing the work prior to Mondays at 8:00 a.m. to avoid them falling behind on assignments. The last thing we want is for a student to wait and then have too many assignments to complete before the penalty free timeline of May 22<sup>nd</sup>.

Modes of communication: our teachers are ready and responsible for communicating with you once a week to support students in completing assignments. The modes of communication: 1. e-mail 2. Remind (text) 3. voice call 4. TEAMS (virtual assistance). If you have preference, please communicate that with your child's teacher. Teachers are learning more about TEAMS (virtual assistance) and we hope to increase participation through these means as needed.
