

Lomax Elementary 5th Grade Outreach Learning

May 4-8

Principal's Message: Happy Teacher Appreciation Week! We hope our students have the opportunity to drop an e-mail to their teachers to let them know how much they are appreciated. This week we hope you find the **assignment to be graded** helpful.

We have **THREE** more weeks of Education Outreach, and I am proud of our students and parents who have endured this process. I have the perspective of both sides (school and parent), and I can tell you that I appreciate what **EVERYONE** involved has accomplished. As I mentioned before, this is not a simple task, but we are almost to the finish line. **IF YOUR CHILD** is behind the work completion, you already know it, and our teachers will continue to reach out to encourage and help until the end. They can work with your child to help you. **DO NOT WAIT** until the week of May 18th, reach out to your child's teacher **TODAY**. Thank you for your patience and your continued communication.

THE LAST NINE WEEKS WILL BE AVERAGED IN FOR THE END OF YEAR REPORT CARD.

ALL assignments continue to be due on Mondays at 8:00 a.m. I highly recommend that students continue with their home schedules on completing the work prior to Mondays at 8:00 a.m. to avoid them falling behind on assignments. The last thing we want is for a student to wait to complete before the penalty free timeline of May 22nd.

Modes of communication: 1. e-mail 2. Remind (text) 3. voice call 4. TEAMS (virtual assistance). **If you have preference, please communicate that with your child's teacher. Teachers are learning more about TEAMS (virtual assistance) and we hope to increase participation through these means as needed.**
